Born on 7 October 1940 in Lanuvio (Rome)

Dear Dr. Quinto Dalla Libera,

This letter acknowledges that you have been granted a Doctorate in Business and Economic Science, Honoris Causa, by Miami International University, a University registered and duly operating in the City of Miami, State of Florida, United States of America.

As a recipient of the Diploma and Honorary degree, you may be addressed by the Honorary title of Doctor, with all the honour and dignity accorded to the honouree of such awards.

Upon receiving the Honorary Degree, you are entitled to use the title of doctor in your headed paper, business cards and any other personal printed items, always using the American term "Doctor", or its abbreviation Dr. You can be verbally addressed by third parties using the local language translation of the title "Doctor". This title is honorary and as such it does not entitle the honouree to practice any profession related to the field pertaining to the degree neither to attempt any licensing examination to be able to practice the profession.

Miami International University expresses its deepest satisfaction for the excellence of your service and contribution to your community, and wishes to congratulate you for this very important achievement.

With sincere regard,

MIAMI INTERNATIONAL
